RE: Albion-Sheridan Township Landfill Site
Albion, Michigan

Dear Ms. Uhl,

Enclosed please find documents from the Albion-Sheridan Township Landfill site file which I have compiled to help you and the project team become familiar with the site. As I indicated on the phone, U.S. EPA does not have very much information concerning this site, and I have tried to send anything I thought might be helpful. Please be aware that I have included some enforcement confidential documents which should be used for your information only. These documents are marked as confidential on the first page and should not be released to anyone or cited in any document you prepare.

I am looking forward to working with you and WWES on this project. Please call me if you have any questions concerning these documents or the site. My number is (312)353-7556. Thank you.

Sincerely,
